Health Insurance, **honestly.**

There's a lot of mistrust when it comes to insurance. We're working to change that.

GMS health and travel plans are easy to choose, easy to use, and easy to understand. That's why Canadians have counted on GMS for quality coverage since 1949. The same pioneering spirit that started our story more than 75 years ago is what drives us to do things differently today. This is our promise to you.

Health Insurance, but **make it easy.**

24/7 Access.

Registering for a My GMS account is easy. Once you're in, you can submit claims online, set-up direct deposit, track your payments, and more.

Skip the claim.

Use your GMS card at participating health practitioners. They'll send us the bill for covered costs, so you don't have to.

The GMS Community Commitment.

When you choose GMS for your health and travel insurance, you're not only protecting yourself, your travels, and your loved ones – you're investing in the health of your community, too.

Thanks to our customers, we've reinvested millions of dollars into health-focused community initiatives in our home province of Saskatchewan and from coast to coast.

Personal Health Insurance

We chose the name Personal Health for our private health insurance plans because health is just that: personal. Everyone has different needs when it comes to health insurance, and those needs can change over time.

With a wide range of benefits covering costs that government and other private benefit plans won't, Personal Health Insurance plans offer flexibility, ease, and choice to pick the plan that's right for you – now and in the future.

CHOOSE FROM THREE PLANS:

- **BasicPlan:** Cover your bases with the basics (and a few extras).
- **ExtendaPlan®:** **MOST POPULAR** The basics plus the comfort and convenience of coverage for vision care, massage therapy, and more.
- **OmniPlan®:** Our most extensive benefits package. Enjoy our highest level of coverage with fewer out-of-pocket expenses.

ADD-ON COVERAGE:

Four more ways to make your Personal Health plan work for you:

- + **Basic Prescription Drugs:** Up to \$3,500 of coverage per person per year.
- + **Enhanced Prescription Drugs:** Up to \$5,000 of coverage per person per year, including \$800 for drugs prescribed for pre-existing conditions.
- + **Dental Care:** Coverage for basic dental services like exams and fillings, and major services like crowns, bridges, and dentures.
- + **Hospital Cash:** Coverage for extended hospital stays, with \$100 per day to a maximum of \$3,000 per year.
