Cancellation and Interruption Coverage

Health Insurance, **honestly.**

There's a lot of mistrust when it comes to insurance. We're working to change that.

GMS health and travel plans are easy to choose, easy to use, and easy to understand. That's why Canadians have counted on GMS for quality coverage since 1949.

The same pioneering spirit that started our story more than 75 years ago is what drives us to do things differently today. This is our promise to you.

Flexibility to choose. Freedom to **go.**

Travel insurance can't guarantee your itinerary, but it can protect your wallet. Rebooking a cancelled flight or handling a medical emergency while you're on the road can be expensive and overwhelming. We're here to take some of that worry away.

The GMS Community Commitment.

When you choose GMS for your health and travel insurance, you're not only protecting yourself, your travels, and your loved ones—you're investing in the health of your community, too.

Thanks to our customers, we've reinvested millions of dollars into health-focused community initiatives in our home province of Saskatchewan and from coast to coast.

GMS Travel Assistance and claims management provided in partnership with World Travel Protection.

Why GMS?

We're changing the way Canadians get insurance. We want you to feel confident in your insurance choices. No matter when or where you interact with us, you can expect ease and honesty. Honestly.

Travel with ease knowing you have the protection you need to enjoy your adventure.

Convenient claims.

Skip the post office and submit your claim by email.

Expert help when you need it.

The GMS Customer Care team is here when you need us.

Two TravelStar® insurance options for protection and peace of mind:

- 1. Emergency Medical:** Whether you're on a quick trip or an extended stay, abroad or in Canada, accidents happen. Don't let the cost of treatment break your travel bank.
- 2. Trip Cancellation and Interruption:** Life doesn't always go according to plan, but we help you plan for it. From lost, delayed, and damaged bags to unexpected flight changes or cancellations, you can travel with confidence knowing you're covered.

Ways to **save:**

Less money spent on accidents means more money spent on adventure.

- **10% bundle discount**

For the best deal, buy both! Save 10% on Trip Cancellation and Interruption insurance when you add it to your Emergency Medical purchase.

- **Add your kids for free**

Don't let the cost of insurance change your travel plans. Add up to six kids (under the age of 16) for free when you buy a single-trip Emergency Medical plan.

- **5% companion discount**

Travelling with another family member over the age of 16? Buy your insurance together and you'll each save 5% on single trip coverage with our companion discount.

- **Increase your deductible, decrease your price**

The higher your Emergency Medical insurance deductible, the less you'll pay for coverage. Choose a deductible as low as \$0 up to \$5,000.

Trip Cancellation & Interruption

- **Before you go:** If your trip is cancelled before your scheduled departure date, we'll cover you for things like non-refundable airfare, pre-paid travel arrangements, and cancellation penalties.
- **While you're there:** For interruptions during a trip, we'll cover things like transportation to rejoin tour groups or out-of-pocket expenses during longer delays (meals, accommodations, transportation fees).
- **Lost, delayed, or damaged luggage:** A built-in baggage benefit in case your belongings are delayed, lost, or damaged.

WHAT'S NOT INCLUDED?

We're proud to cover many common risks associated with travel. However, cancellations and interruptions caused by things like pre-existing conditions or global travel advisories, and costs paid for with travel credits and vouchers are not covered by Trip Cancellation and Interruption insurance.

See policy for full details on coverage and exclusions.
