Coverage for a *trip* you have started prior to the expiry of this plan will be continued if you apply and are eligible for an equivalent Multi-Trip Trip Cancellation Plan with GMS that is in effect without a gap in coverage. Coverage is limited to a maximum of the amount of coverage offered by the plan in effect at the time the *trip* was booked.

Coverage under the baggage loss, damage and delay benefit begins when you depart from your *province/territory of residence*.

Coverage under the baggage loss, damage and delay benefit ends on the earlier of the following:

1. the *expiry date* of your policy; or
2. the day you return to your *province/territory of residence*.

AUTOMATIC EXTENSIONS

If the return to your *province/territory of residence* is delayed beyond the *expiry date*, your policy will be automatically extended five (5) days if you are deemed medically unfit to travel:

1. prior to your *return date*; and
2. GMS is advised in writing by the attending *physician*.

POLICY CHANGES

You may contact GMS prior to departing on a *trip* to add or remove applicants. Additional premium may apply.

REQUESTING A REFUND

Prior to the *effective date* you are eligible for a full refund. After the *effective date* the policy is non-refundable.

GENERAL CONDITIONS

The following conditions apply to all insurance coverage and additional coverage purchased.

1. **Coverage Starts** - coverage is not effective until GMS approves the application, and the appropriate premium has been paid.
2. **Currency** - all amounts stated in this policy are in Canadian funds.
3. **Interest** - benefits payable shall not include interest charges.
4. **Laws Applied** - this policy shall be interpreted and construed in accordance with the laws of the Province of Saskatchewan and the federal laws of Canada applicable therein.
5. **Subrogation** - if *reasonable and customary* expenses are incurred due to the fault of a third party, GMS may take legal action against the person(s) at fault in your name to recover these expenses and you hereby agree that GMS may do so. You agree to fully cooperate with GMS in any action that might be taken.

6. **Excess Coverage to Other Insurance Plans, Credit Card Coverage, or Travel Supplier Vouchers and/or Future Travel Credits** - this policy is in excess of all other insurance coverage or amounts recoverable by any other party. If *GMS* pays *reasonable and customary* expenses to *you* and a third party makes payment for those same benefits, *you* are responsible for reimbursing *GMS* the amount previously paid by *GMS*.
7. **Excess Coverage to Government Health Plan** - this policy is in excess of what would normally be payable under *your government health plan*. There is no coverage for any benefits provided by a *government health plan* on the policy *effective date* regardless of whether such benefits continue to be provided by a *government health plan* at the time the claim is made.
8. **Coordination of Benefits** - in the event *you* have insurance from another source(s) or if any third party is responsible for benefits also under this policy, *GMS* will pay eligible expenses only in excess of those covered by that other insurer or other responsible party, including but not limited to, credit cards, travel supplier(s) refunds, voucher(s), private, provincial or territorial auto plans, any applicable benefits plans, contracts or any other insurance, whether collectible or not. *GMS* is a secondary payor. All other sources of recovery, indemnity payments or insurance must be exhausted before any payments will be made under any *GMS* policies. However, if that other insurer is also in 'excess only', the insurer will coordinate with respect to benefits provided under this policy, benefits shall be coordinated in accordance with the Canadian Life and Health Insurance Association guidelines, except:
- when retirement group health coverage exists with a lifetime limit of \$50,000 or less; or
 - where a claim is made under the baggage loss, damage and delay benefit of *GMS* Trip Cancellation Coverage.
9. **Maximum Payable When Coordinating Benefits** - if a covered person is entitled to similar benefits under any other individual or group coverage, the benefits payable under this coverage shall be coordinated so that the total payment from all coverage shall not exceed the amount for which the claim is made.
10. **Rights to Designate a Person** - *GMS* reserves the right to restrict or deny *your* right to designate persons to whom insurance money is payable.
11. **Right to Transfer** - *GMS*, in consultation with the attending *physician*, reserves the right to transfer *you* to another *hospital* or medical facility or to return *you* to *your province/territory of residence* if deemed *medically necessary*.
12. **Maximum Payable** - insurance is in effect only for coverage and *sum insured* as indicated on *your* application for which the premium has been paid. Benefits are payable in accordance with the benefits listed in this policy and limited to the *sum insured*.
13. **Service Providers** - *GMS* reserves the right to negotiate amounts payable on *your* behalf with any service provider who provides services covered by this insurance. Payments will be provided directly to the service provider. *You* may not claim or receive more than 100% of covered incurred expenses. Payment under this condition is subject to all other policy conditions and limitations.
14. **Payment Not a Guarantee** - payment of any amount by *GMS* on *your* behalf does not constitute a guarantee that *GMS* will cover *your* expenses if *GMS* determines *you* have no coverage under this policy. *You* must repay, on demand, any amount paid or authorized by *GMS* on *your* behalf if and when *GMS* determines that the amount was not payable under the terms and conditions of *your* policy.
15. **Right to Investigate** - *GMS* reserves the right to investigate or obtain a private opinion on any claim and to obtain any and all information relating to a claim.
16. **Misrepresentation** - any material misrepresentation, provision of incorrect information, or non-disclosure of information by *you* will result in non-payment of any claim and will void *your* coverage.
17. **Authorization** - by purchasing this policy *you* are:
- authorizing any *physician*, health care provider, other person, *hospital* or institution to release to *GMS* and/or its authorized agents, representatives, affiliates or assistance service provider (collectively "*GMS*") any information covering *your* medical history, symptoms, *medical treatment*, examination, *diagnosis* and/or services rendered to *you* and or *your dependants*;
 - authorizing *GMS* to collect, store and use any information which is provided by *you* and any information obtained pursuant to clause a. and c.;
 - authorizing *GMS* to obtain information from, or disclose information to any *government health plan*; the operator of any clinic or other health facility; a *physician* or other health care provider; any insurance company; or any other service provider or third party as may be reasonably required (this information is intended for the purpose of administering the policy and communicating with *you*); and
 - acknowledging, subject to legal or contractual restrictions, *you* may (upon reasonable written notice to *GMS*), choose to withdraw *your* consent to the collection, use and disclosure of such information. If *your* consent is withdrawn, *you* will restrict *GMS'* ability to administer *your* policy. Further, if *you* withdraw *your* consent, *GMS* may not be able to offer *you* *GMS* products and services and *you* will limit *GMS'* ability to pay *your* claim(s).
18. **Obligation to Cooperate** - *you* agree to fully cooperate with *GMS* to provide the documentation and authorization required by *GMS* to administer *your* policy, including the assessment of *your* claims. Failure to do so with respect to the assessment of *your* claims will result in the non-payment of claims, in accordance with the General Conditions.
19. **Right If Premium Is Owed** - *GMS* reserves the right to suspend claims reimbursement until such time as payment of premium in full is received. In the event of non-payment of premium, *GMS* reserves the right to terminate the policy, with notice.
20. **Policy Evaluation Period** - for Single-Trip plans greater than 190 days and all Multi-Trip Annual plans with emergency medical coverage, *you* have 10 days from the day *you* apply for *your* policy to return it to *GMS* for cancellation. The policy will be considered null and void and any premium paid up to the end of the 10-day examination period will be refunded, provided no claim has been incurred. If a claim has been paid, the amount of the claim must be immediately repaid to *GMS*, less the premium amount, before the policy will be deemed null and void. This period of examination expires 10 days after *you* apply for *your* policy and have received a copy of the policy. Failure to return the policy will be considered an acceptance of all of its terms, conditions and limitations. All other requests for termination are subject to the conditions provided for in the Statutory Conditions.
21. **Statutory Limitation** - every action or proceeding against an insurer for the recovery of insurance money payable under the policy is absolutely barred unless commenced within the time set out in the Insurance Act (BC, AB, MB, NS, PE – title of act may vary by jurisdiction), Limitations Act (SK, NF), Limitations Act, 2002 (ON) or other applicable legislation.
22. **Statutory Conditions** - despite any other provision of the policy, the policy is subject to the statutory conditions in the applicable insurance act respecting contracts of *accident* and sickness insurance of the Canadian province where the policy was issued.

Pursuant to the Insurance Act, the relevant statutory conditions which relate to individual health and travel insurance products have been provided below.

1. The contract

- (1) The application, this policy, any document attached to this policy when issued, and any amendments to the contract agreed on in writing after the policy is issued, constitute the entire contract, and no agent has authority to change the contract or waive any of its provisions.
- (2) The insurer shall, on request, provide to the insured or to a claimant under the contract a copy of the application.

2. Material facts

No statement made by the insured or a person insured at the time of application for the contract may be used in defence of a claim under or to avoid the contract unless it is contained in the application or any other written statements or answers provided as evidence of insurability.

3. Termination of insurance

- (1) The contract may be terminated:
 - (a) by the insurer giving to the insured 15 days' notice of termination by registered mail or 5 days' written notice of termination personally delivered; or
 - (b) by the insured at any time on request.
- (2) If the contract is terminated by the insurer:
 - (a) the insurer must refund the excess of premium actually paid by the insured over the prorated premium for the expired time, but in no event may the prorated premium for the expired time be less than any minimum retained premium specified in the contract; and
 - (b) the refund must accompany the notice.
- (3) If the contract is terminated by the insured, the insurer must refund as soon as is practicable the excess of premium actually paid by the insured over the short rate premium calculated to the date of receipt of the notice according to the table in use by the insurer at the time of termination.
- (4) The insurer may deliver notice of termination to the insured by personal delivery, regular post or registered mail. Where notice is delivered by:
 - (i) personal delivery, 5 days' notice of termination shall be given which notice shall begin on the date of personal delivery;
 - (ii) regular post, 10 days' notice of termination shall be given which notice shall begin on the day following the date of mailing of notice; or
 - (iii) registered mail, 15 days' notice of termination shall be given which notice shall begin on the day following delivery of the registered letter to the insured's address.

4. Notice and proof of claim

- (1) The insured or a person insured, or a beneficiary entitled to make a claim, or the agent of any of them, must:
 - (a) give written notice of claim to the insurer not later than 30 days after the date a claim arises under the contract on account of an accident, sickness or disability:
 - (i) by delivery of the notice, or by sending it by registered mail, to the head office or chief office of the insurer in the province/territory; or

- (ii) by delivery of the notice to an authorized agent of the insurer in the province/territory;

 - (v) if relevant, the beneficiary's age; and
 - (c) if so required by the insurer, provide a satisfactory certificate as to the cause or nature of the accident, sickness or disability for which claim is made under the contract and, in the case of sickness or disability, its duration.
- (2) Failure to give notice of claim or provide proof of claim within the time required by this condition does not invalidate the claim if:
 - (a) the notice or proof is given or provided as soon as is reasonably possible, and not later than the limitation period set out in The Limitations Act after the date of the accident or the date a claim arises under the contract on account of sickness or disability, and it is shown that it was not reasonably possible to give the notice or provide the proof in the time required by this condition; or
 - (b) in the case of the death of the person insured, if a declaration of presumption of death is necessary, the notice or proof is given or provided no later than the limitation period set out in The Limitations Act after the date a court makes the declaration.

5. Insurer to provide forms for proof of claim

The insurer must provide forms for proof of claim within 15 days after receiving notice of claim, but if the claimant has not received the forms within that time the claimant may submit his or her proof of claim in the form of a written statement of the cause or nature of the *accident*, sickness or disability giving rise to the claim and of the extent of the loss.

6. Rights of examination

As a condition precedent to recovery of insurance moneys under this contract:

- (b) in the case of death of the person insured, the insurer may require an autopsy, subject to any law of the applicable jurisdiction relating to autopsies; and
- (c) the insurer shall bear the costs of any examination or autopsy and shall provide copies of reports of any examination or autopsy to the insured or the insured's representative.
